**Re: Notification of Resumption of Licensed Operation
W250BQ, (Formerly, W249BM), Newport News, VA (FIN 155032)**

Dear Ms. Dortch,

On behalf of Educational Media Foundation ("EMF"), the licensee of noncommercial FM translator W250BQ, Newport News, Virginia and pursuant to Section 73.561 of the Commission's rules, this letter is to notify the Commission that W250BQ, has returned to full power operation on November 9, 2012.

On February 17, 2012, W250BQ temporarily suspended operations due to the potential for mutual interference associated with WGTT's operation at Winfall, North Carolina. EMF filed an application to change channels to eliminate the interference (File No. BPFT-20120405ABM). EMF has implemented the channel change and has filed a license to cover the minor modification on November 9, 2012. Accordingly, please dismiss BLESTA-20121015ACM and update your records to reflect this notification. Should there be any questions regarding this matter, please contact the undersigned.

Sincerely,

Mary N O'Connor
